

# Footprints<sup>11</sup>

This regional event will be held November 18-20, 2011 at Rhodes Grove Retreat Center in Chambersburg. Formerly ERYC (Eastern Regional Youth Conference), the title "Footprints" comes from the idea that each of us is on a personal faith journey in our walk with God.

Our theme for this conference is "Be Doers of the Word" which is taken from James 1:22-24. Our main sessions will be led by Walt Wiltschek. Walt is a former editor of the Messenger magazine and is currently working as the Chaplain at Manchester College in Indiana. In addition to main sessions there will be music led by Mutual Kumquat (check out this great band at [www.mutualkumquat.com](http://www.mutualkumquat.com)) small group sessions, service project and much more!

As part of living out the conference theme, "Be Doers of the Word", attendees are asked to bring along either a jar of spaghetti sauce or a box/bag of spaghetti, as one of the activities options will be making spaghetti for the Chambersburg Salvation Army Kitchen.

Cost is \$135 due by September 15th. After that, cost will be \$145. For any preliminary questions you can contact Karen Duhai at 814-643-0601 or [kduhai@hotmail.com](mailto:kduhai@hotmail.com).
